2009 has been a blessed and fruitful year for us. God has done great things for his glory and we are thankful for the privilege of being in his services .

NIGERIA

In spite of heavy persecution we continue to stage Africa Global Ministries Network crusades in unreached villages of Nigeria and other Africa countries , our vision is to spread the gospel all over Africa through crusades, training of leaders and conferences. To date we have staged crusades and outreaches in unreached villages of Africa [45 villages] and more are to be stage in next year. We shall continue to thrive and to grow ,winning souls, healing the sick and casting out demons in the midst of persecution and trials. We are standing strong .

BENIN AND TOGO

WE held a large gospel crusade in Benin and Togo, over a thousand precious souls received Jesus Christ.. Entire villages and cities were shake by the power of God . With our effective pre-crusade training and post crusade follow up programs for churches we saw revival break out in the aftermath of the crusade. Local churches grew and multiplied, a major milestone was reached in March when we saw 10,000 people accepting the Lord and receiving healing.

I Preached at a large Crusade and the last hour outreach in West Indies and also ministered in several large conferences and churches across villages in Africa. For all this we give the glory and honor to our wonderful Lord Jesus. For he alone is worthy.

Closing thoughts .we are reaching people who are so utterly lost and without hope only Jesus Christ can set them free through his gospel , we have given our lives , and asking you to give of your finances to help us to get the job done. Time is short and the harvest fields are vast the challenge is great, but standing together you and me can make a difference. We have preached in war zones in Muslim lands, perilous places and we are seeing the fruit. Multitudes are coming to Jesus Christ to receive eternal life. These are tough times, but if we don't give up and continue to preach no matter the cost we shall always win.
